- |                          |                |
|--------------------------|----------------|
| Backshells & Accessories | Board to Board |
| Contacts                 | High Speed IO  |
| Core Circular            | Power          |
| Core Rectangular         | SFF            |
| Rectangular              | Specialized    |

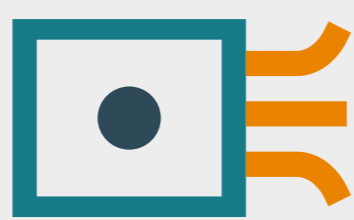

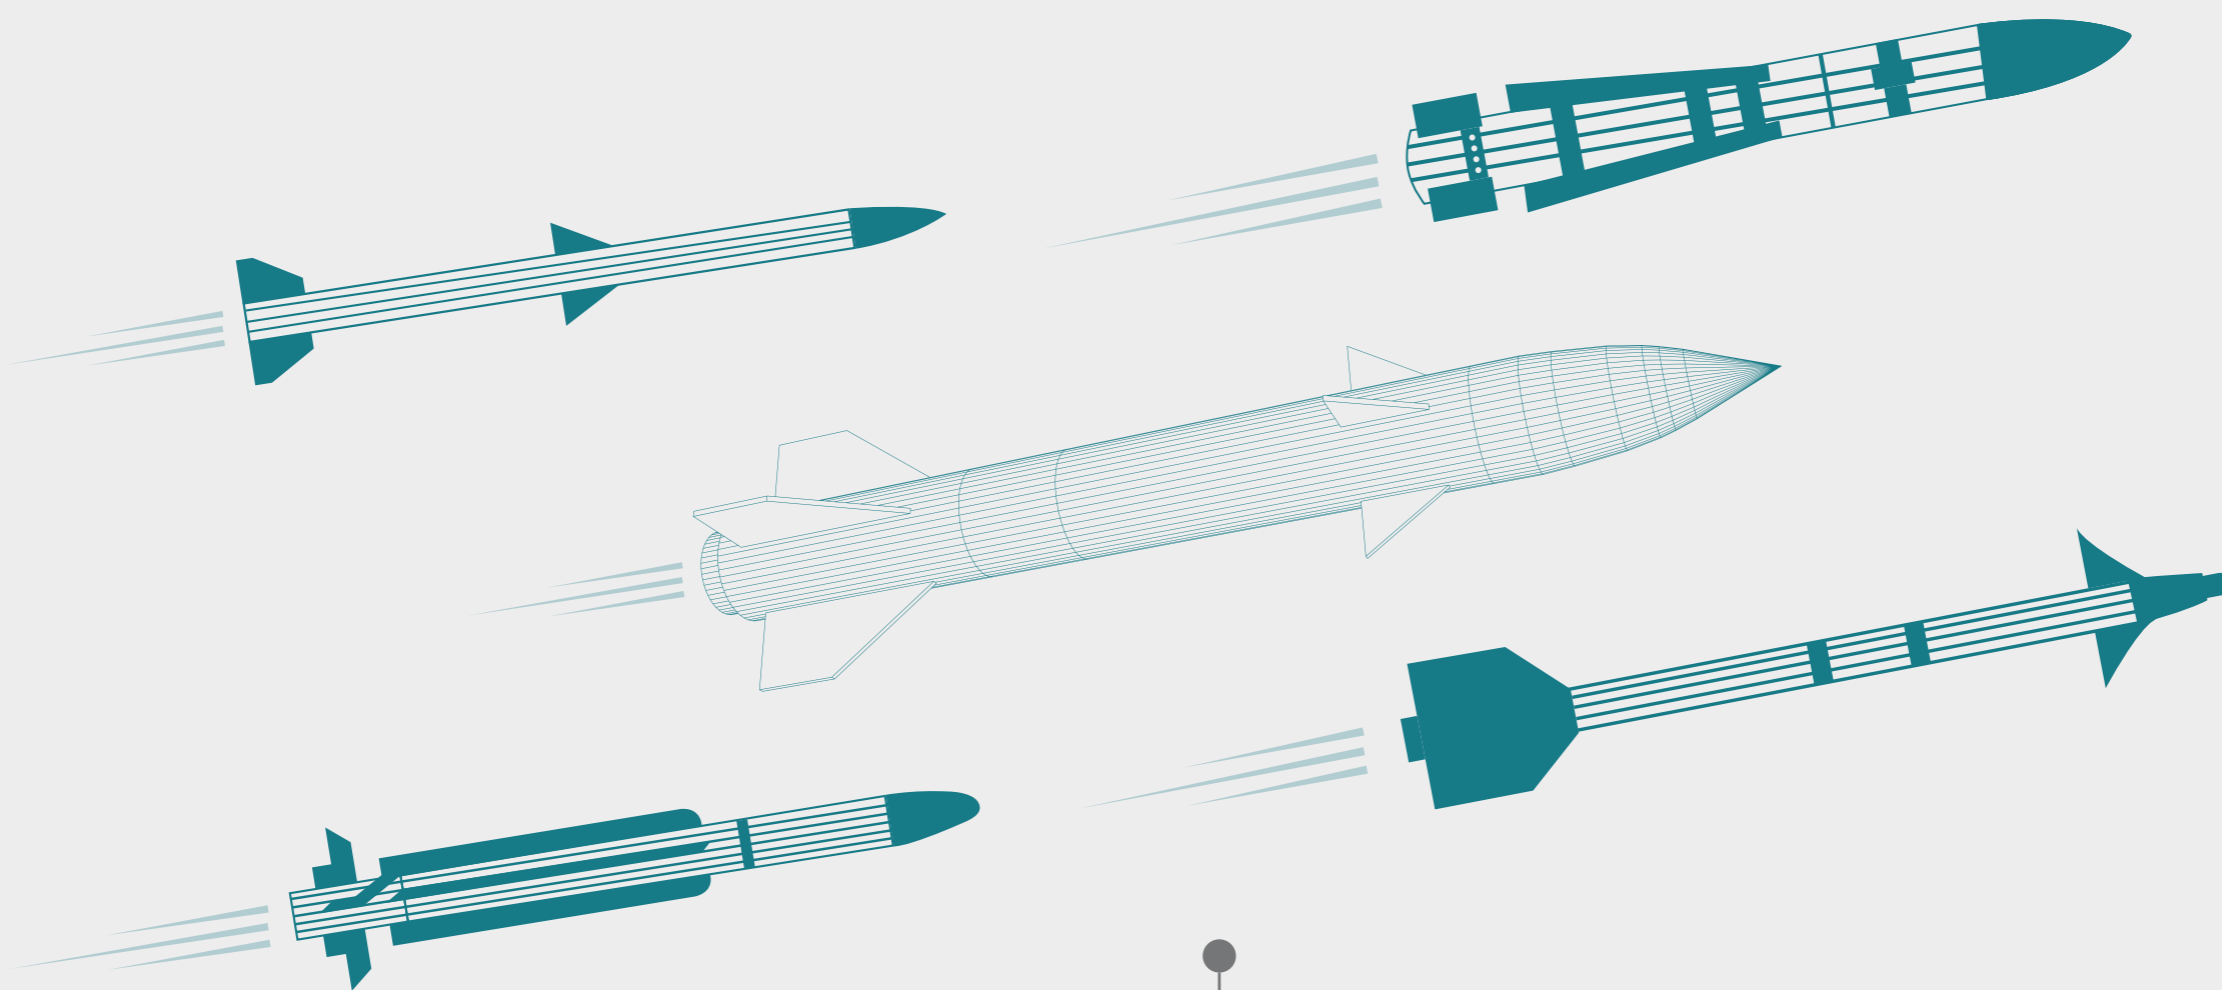

## Relays

- CIID
- DRI
- Hartman
- Kilovac
- Sensors

## Fiber Optics

- Fiber Optics-AD&M
- Fiber Optics-DAT

## Wire & Cable / EPS

### Engineered Polymer

- Cable Management
- Data Communications
- Devices
- Harness Components

### Wire & Cable

- General W/C
- Specialty W/C
- WC Auto High Volume

## Integrated Systems

### Value Added Products

- Customized Optical Assemblies
- Standard Optical Assemblies
